Ruffled DOILIES

by request

Throughout the years, the Wheel of Fashion keeps on turning. The styles of our grandparents return in our time, and those of our parents will be rediscovered by our children. Some fashions, however, never really disappear, but recur every few years to attract us anew. Again we find ourselves beguiled by lacy, fluffy doilies with a gay, frivolous air. Once more, crisply-starched ruffles grace our tables, adding a flower-fresh touch of crochet. We feel that nothing can brighten our homes more, and give us more pleasure to make, than a new set of Ruffled Doilies!
